

20 February 2024

Dear **[Insert fellow name]**,

On behalf of The University of Melbourne and the Pacific Climate Change Centre (PCCC), we are very pleased to invite you to participate in the *Australian Awards Fellowship 'Advancing Climate, Health and Equity Outcomes through Local Action in the Indo-Pacific'* week-long program in Apia, Samoa, from **18 March to 22 March 2024**.

Your fellowship will primarily be based at the Pacific Climate Change Centre, supported by the Australian Government Department of Foreign Affairs and Trade (DFAT), and includes support for your travel; accommodation and living expenses; and specialist training from internationally-recognised experts through a curated program of activities, networking and development opportunities.

If, for any reason, you are no longer able to participate in the Samoa workshop, please notify us immediately by emailing [yvettek@sprep.org](mailto:yvettek@sprep.org) and [climate-catchlab@unimelb.edu.au](mailto:climate-catchlab@unimelb.edu.au).

Congratulations again on your Australia Awards Fellowship. We look forward to welcoming you to Samoa in March and working with you to progress climate change, health and equity priorities in your region.
