Subject: Request for tenders (RFT): (Service-based Consultancy) Implement training and capacity building on sea turtle monitoring activities.

Question 1:

How many national marine turtle monitoring coordinators will be trained in the program, and for which countries?

Response:

This programme covers 11 Pacific Island Countries, (Cook Islands, Fiji, Kiribati, Republic of the Marshall Islands, Federated States of Micronesia, Palau, Papua New Guinea, Samoa, Solomon Islands, Tonga, and Vanuatu) and it is expected that there will be 11 National Marine monitoring coordinators, however the exact number of coordinators and countries will be determined by interests received from these countries.

Question 2:

Please confirm the understanding that the project deliverables will be online workshops, face-to-face workshops and online training seminars that will be made available on the SPREP website?

Response:

Online workshops, face-to-face field training workshops and online training seminars are expected deliverables. The online workshops/training sessions can be promoted through the SPREP website, and links to the training sessions, can be included in the SPREP Social media, but these trainings will be delivered through Zoom or teams, or other web-based means managed by the consultant
